'Forgotten Refugees'

Followed by stories of fleeing Arab Countries and Q&A

HARIF is a UK association representing Jews from North Africa and the Middle East, and dedicated to promoting their history, culture and heritage.

Over 2,000 years of history in the Middle East and North Africa came to an abrupt and tragic end just 50 years ago. Jews departed for Israel and the West, leaving an enormous cultural and economic void behind. In another 20 years, few Jews who were born in these countries will still be alive. A vital chapter of Jewish identity, history and culture – an entire civilization – will be lost. HARIF is here to make sure it is not forgotten.
